AUDITOR'S REPORT

CORPORATION AUDIT COMPANY

Portland, Maine

February 9, 1948

To the Inhabitants of the Town of Buxton, Maine:

At the request of your municipal officers and in compliance with Chapter 80, Section 116, Revised Statute 1944, of the State of Maine we have made a detailed audit for the year commencing February 6, 1947, and ending Feb. 7, 1948. The revaluation as made for the town for the year ending February 7, 1948 has been checked in detail to verify the warrant of commitment.

The Town Warrant for the year 1947 and the records of the clerk, assessors, tax collector, treasurer, superintendent of schools, and the heads of all departments have been checked in detail so as to correctly reflect a true and correct view of the state of the Town's affairs. The records, vouchers, warrants, receipts, trust funds, licenses, and tax deeds were verified and such adjustments as were recommended have been made. The expenditures were those authorized by the Town Warrant. The records of the assessors, tax collector, and treasurer, were verified in detail. An analysis of the surplus at the beginning and the close of the year and the receipts and expenditures correctly reflect the cash balance and the accounts of all the officers and of all those associated with any of the departments are true and correct.

CORPORATION AUDIT CO.
SETH W. NORWOOD,
Auditor and Legal Adviser.

HONOR ROLL PROJECT

Buxton's Honor Roll got off to a bad start in 1943, it was altogether the wrong time to attempt such a project for then no one knew how many Civilians would become Veterans nor how many Veterans would be called to the front or come back alive. The committee in charge at that time has been more or less criticized for what they did, also the Selectmen of 1947 have been equally criticized for what they haven't done, as a matter of fact no blame should be attached to anyone because no one knew exactly how to proceed for no Town vote has ever been taken broad and far reaching enough to provide sufficient money or expend it in a way to satisfy the majority of the Town people.

If Buxton is to have a memorial it should be something toward which, not only the Veterans themselves but generations to come can point with pride, it should be solid, impressive and everlasting.

In order to give the voters a little information and clear up some of the misunderstanding which has resulted this page has been prepared.

A bronze plaque with some appropriate heading and including the names of the men and women of Buxton who served in the different forces will cost \$550.00 the same thing attached to a granite slab and set also on a granite base all finished and located anywhere in town that the people may decide will cost \$450.00 more, thereby bringing the total cost to \$1,000.00 for a complete job.

A much cheaper type can be constructed of wood but what will it look like in years to come? We feel that to erect anything of that kind would be only throwing good money after bad, unless we can have an Honor Roll that really is an honor it would be better to abandon the project altogether.

Proper articles have been inserted in the Warrant and it is hoped that the above explanation may help the voters to arrive at some definite understanding that will allow the town officers to take action toward settling this much discussed question.

The Account now stands as follows.

Town appropriation March 1947	\$600.00
Unexpended 1948	\$600.00

**REPORT OF FIRE WARD**

To the Municipal Officers and citizens of the town of Buxton.

I herewith submit the following report for the fire department for the year 1947.

During the year your fire department answered fifty-one calls. Twenty-eight were brush and grass, fourteen were dwellings, seven were chimney, two false alarms and one saw mill.

Nine were out of town, three dwellings and six brush and grass fires, and in addition to these most of the department spent ten days in Waterboro and Hollis Disaster Fire.

The Fire Station has a new floor which helps to cut down the heating cost.

Our new fire truck came after long waiting. Its 500 gallon capacity water tank is a great help at a house

fire and the 500 G.P.M. two stage pump is working out fine.

Twenty of the boys have joined the York County Firemens Association. We have invited the association to hold their next meeting at Saco River Grange Hall on March 9, 1948.

Respectfully submitted,
PHILIP S. BROOKS
Fire Ward

BY-LAWS OF THE BAR MILLS FIRE DEPARTMENT

March 11, 1947

Article No. 1

Sec. No. 1 The Name of this Association shall be the Bar Mills Fire Dept.

Article No. 2

Sec. No. 1 The Membership shall consist of such persons as are Members of the Association at the time of the adoption of these By-Laws, together with such persons as shall be hereafter admitted to membership.

Sec. No. 2 New Members shall be twenty-one (21) years of age and shall be elected to membership by the Members of the Association on recommendation of the Chief of the Dept. Upon election new Members must sign these By-Laws.

Sec. No. 3 Each Member must attend at least four (4) regular meetings in each Calendar Year, or be suspended.

Sec. No. 4 Each member shall be entitled to one vote in all meetings of the Association, upon all questions coming before said meeting, including the election of officers.

Sec. No. 5 A member may be reinstated at any time by a majority vote of the members present, at any regular meeting of the Association, provided that he is recommended for such reinstatement by the Chief of the Dept.

Sec. No. 6 Any person may become an honorary member of this Association by a two-thirds ($2/3$) vote of the members present at any regular meeting of the Association, but such honorary members shall not be entitled to any vote in the meetings of the Association. The Secretary shall keep a separate list of such members in the record.

Article No. 3

Sec. No. 1 Each active member of this Association shall pay dues of One Dollar and Twenty cents (\$1.20) a year, payable in advance.

Sec. No. 2 Any member who is Six (6) months in arrears for dues shall be suspended, provided that he has had at least Thirty (30) days notice that his dues are in arrears. The Secretary shall be required to send both of the above notices.

Article No. 4

Sec. No. 1 The Annual meeting of this Association shall be held on the first (1st.) Sunday in February.

Sec. No. 2 Regular meetings shall be held on the first (1st.) Sunday in each month.

Sec. No. 3 Special meetings may be held on the call of the President of the Association.

Sec. No. 4 All members of the Association shall be notified by the Secretary of any regular or special meeting by posting a notice at the Bar Mills Post Office at least Seven (7) days before said meeting.

Sec. No. 5 All meetings shall begin promptly at Seven Thirty (7:30) P.M. unless otherwise stated in the call for said meeting.

Sec. No. 6 Seven (7) members shall constitute a quorum for the transaction of business.

Article No. 5

Sec. No. 1 The officers of this Association shall be a Chief, who shall be ex-officio President of the Association. An assistant Chief who shall be ex-officio Vice President of the Association, President, Vice President, Secretary, Treasurer, Executive Committee, Two (2) captains and Two (2) Lieutenants.

Sec. No. 2 Any Honorary members may be elected as Honorary President and Vice President at the Annual meeting of the Association.

Sec. No. 3 The Executive Committee shall consist of three (3) members, one (1) of whom shall be elected at the annual meeting for a term of three (3) Years. The President and Secretary shall be ex-officio members of this committee.

Sec. No. 4 All these Officers except as provided for election of members of the Executive Committee shall be elected at the Annual meeting, and shall serve for One (1) Year or until their successors are elected.

Article No. 6

Sec. No. 1 The President and Vice President when acting as such shall perform such duties as are usually performed by such Officers in other associations.

Sec. No. 2 The Secretary shall keep a true and accurate record of the meetings of the Association, and all fires to which the Dept. is called, shall keep a record of the attendance of members at each meeting, shall notify members of their suspension, shall receive and collect all money due the association and turn this money over to the Treasurer, receiving from him a proper receipt.

Sec. No. 3 The Treasurer shall receive all money from the Secretary keeping a true and accurate account

of the same and pay it out by vote of the Association at any regular meeting thereof, upon approval by the Executive Committee.

Sec. No. 4 In an emergency, when a meeting of the Association can not be called the Executive Committee is empowered to act for and in the name of the Association.

Article No. 7

Sec. No. 1 These By-Laws may be amended at any time at any regular or special meeting by a Two Thirds ($2/3$) vote of the members present, provided that such amendments shall have been submitted in writing at any meeting at least Thirty (30) days before, and notice of the proposed amendment has been given in the call for said meeting.

Office of Town Clerk

Town of Buxton

West Buxton, Maine, March 11 1947

The following is a copy of the action taken on article 59 of the Town Warrant of Buxton at the adjourned meeting Saturday, March 8, 1947.

Article 59,

Voted to organize the Bar Mills Fire Department under that name, to have charge and operate the town's fire equipment stationed at Bar Mills for the protection of persons and property to have authority to elect proper officers and make appointments. Also to appoint committees and to add to or reduce its membership with such privileges as may be for the best interests of the Department.

It shall be its duty to render service and to co-operate with other fire departments.

A True Copy of Vote.

We again wish to thank the Towns of Buxton and Hollis for their cooperation in making the Library at West Buxton possible.

GERTRUDE S. ELWELL
Secretary

Buxton-Hollis Hospital, Inc.

Bar Mills, Maine

The Buxton-Hollis Hospital, herewith, respectfully submits its annual report.

Four people in the past year received the total of thirty-eight days of board and care. This represents \$209.00 of the money raised for the Hospital.

There were four children in Buxton who took advantage of the tonsil clinics. The dental clinics were very well attended. We were very fortunate this past year to be able to obtain the services of Dr. Anton, a young dentist from Biddeford, to conduct our dental clinics.

Thirteen dental clinics were held during the season.

Sixty-two children attended these clinics. All of these children received examinations and cleanings. In addition to these, sixty-eight fillings and twenty-two extractions were received by the children.

Again, we wish to thank the people of the town for their assistance and loyalty.

Respectfully submitted,
Buxton-Hollis Hospital, Inc.
A. G. WILEY, M.D., Pres.

Annual Report of Public Health Nurse

Buxton — 1947

Buxton was visited as needed during the first four months of the year, and since May first regularly once a week.

Infants have been called upon as soon after return from the hospital as possible to help mothers understand and follow physician's orders and assist with any problems that have arisen. Other visits have been made to expectant mothers, pre-school, school, and crippled children and those with heart involvement. Any needing it have been referred to the Crippled Children's or Cardiac Clinics in Portland, so they could receive the examinations and recommendations of a specialist.

The Health Council has been very active. The Child Health Conferences sponsored by them this summer were successful. One was held in each of the following sections of the town to make transportation easier for the parents: West Buxton, Bar Mills, and Groveville. Forty-six children attended and nineteen physical examinations were given by Dr. A. G. Wiley. Nine children were immunized against whooping cough, diphtheria, and tetanus, and eighteen were vaccinated against smallpox. If we can continue this program regu-

larly, we should be able to save many children from succumbing to epidemics of these dreaded diseases. Later we hope to be able to offer inoculations in the schools also. The more children protected in your community, the less chance there is for an epidemic to occur.

Plans for school physical examinations were interrupted by the fires. Since that time Dr. Wiley has been so busy he has been unable to give us the time. We hope to make definite plans for this program early in the New Year.

Positive reactors to the tuberculin tests given late in 1946 were X-rayed in Biddeford in March. No reinfection tuberculosis was found.

Some school is visited each week to help the teachers with health problems.

Your nurse will continue to call in Buxton regularly and hopes to be able to help with any health problems in the home or school.

MAREA LUNDBERG,
Public Health Nurse
Div. of Public Health Nursing
State Bureau of Health
Biddeford, Maine

December 31, 1947

SCHOOL REPORT

Report of the Superintendent of Schools

To the Superintending School Committee and citizens of the town of Buxton; the annual report is herewith submitted:

There is evidence today of a widespread interest in improving our schools and in providing better educational opportunities for all pupils. Different schools of thought have arisen in regard to school planning and courses of study. Undoubtedly much good will come from the attention that is given these problems through study and research and resultant legislation. In this state much favorable legislation was accomplished at the last session of legislature.

First of all: in order to have thoroughly trained and competent teachers the profession must be made sufficiently attractive to draw teachers of promise into the teacher training institutions. Recent legislative enactments have created additional resources by the allocation of additional school funds:—with larger amounts to poorer towns. In order to be eligible for such allocation of funds it has been necessary for towns to pay certain minimum salaries. There has also been enacted a teachers' retirement plan with greater teacher benefits.

In order to carry out these legislative requirements it has been necessary to ask for increased appropriations for our schools. However these costs are not out of line with increased costs in general today. Relatively teachers' wages are not any higher in many cases than they were a few years ago. Yet all who are interested in the welfare of our schools realize the work must be well organized by the efficient and well trained teacher in

order to secure a satisfactory return on the funds invested in education. It is evident that further financial support of schools is needed. It is obvious that we can not expect any further increase in property tax in many towns. It is possible that federal aid may become available to help in this emergency.

New Legislation

Ch. 37 Sec. 3

The allocation of State School Funds for each position where a certified teacher is employed and where a minimum program of expenditure is maintained including minimum salaries for teachers has been increased from \$300 to \$400 and \$90 is paid for each unit gradation beginning at 15 mills tax for school purposes: at 15 mills—\$90 is paid; then at 18 mills \$180 with an additional \$90 for each gradation up to 29 mills; these gradations to be by steps of 3 mills each.

The scale of minimum salaries for teachers is:

	Pay
All certified	
Teachers with training—2 years or less	\$1,500
Teachers with training—3 years	1,600
Teachers with training—4 years	1,700
Teachers with training—5 years	1,800

Ch. 341 50 A

An act relating to control of Tuberculosis

On or before Dec. 1, 1947 and biennially thereafter except that for those persons in whom the disease is arrested the examination shall be annually, All superintendents of schools, supervisors, teachers, school nurses, janitors, and school bus drivers and persons employed in the preparation of school lunches, shall file with the superintending school committee a certificate showing that such employee has had a chest X-ray performed and interpreted as showing no signi-

ficant evidence of tuberculosis by persons recognized as skilled and experienced in such interpretation. No person whose X-ray shows active tuberculosis shall be employed in any school

Ch. 22 Sec. 121

An act relating to testing water supplies for Public Schools.

During each year water supplies for public schools from sources other than municipal water systems must be tested: The cost of testing water supplies to be paid by municipalities.

Provisions for Occupational Courses

The law in regard to payment of Tuition by towns for so called vocational courses taken in other towns:

"Any youth in a town that maintains an approved secondary school which offers less than two occupational courses of study and whose qualifications for such training are approved by the superintending school committee of said town, may elect to attend some other approved secondary school to which he may gain admission for the purpose of studying an occupational course not offered by the town of his legal residence.

The sending town is then required to pay the tuition.

IT SHOULD BE NOTED THAT the pupil must take a vocational course and not merely take a subject under such a course. The entire course must be elected in order to place the sending town under the requirement for paying tuition. Towns are reimbursed for $\frac{2}{3}$ of the amount paid for such tuition.

Repairs

This year we have expended \$1,528.51 for repairs on school buildings. This work has consisted largely of upkeep work on buildings, on the plumbing systems, and heating systems. Considerable work has been done on

buildings in setting glass and puttying windows; renewing the window weight cords; and in other general repairs. In many of the buildings desks and school furniture have been repaired.

All of the buildings are in need of painting. However in view of the high cost of painting it seems unwise to paint any buildings this year; but to wait until with lower prices more work can be accomplished with the appropriation.

Bar Mills Well

For many years the supply of water has not been adequate for this school. At present the well is dry and drinking water is hauled to the school daily in cans; and drinking fountains are used. Water for other purposes is taken from town reservoir which is near the well. This arrangement is unsatisfactory and the water in the well had tested "unfit for drinking purposes", before the well became dry. It is evident that some other source of water is necessary for this large school. It would seem that the drilling of an artesian well would be the only satisfactory solution of this problem. The drilled well at the High School has always provided an unfailling supply of pure water.

Conveyance

It will be noticed in comparing present costs for conveyance with those of a few years ago that there have been steadily increasing costs for transporting pupils. This year the cost of conveyance was nearly \$5,000.00 This increase was due in part to closing of certain schools with a saving in maintenance cost to the town, the location of families in sections of the town remote from the nearest school, and part of the general increase in costs of transportation.

Bids for Providing Conveyance

At present in view of the large amount of transporta-

tion of pupils in town it seems desirable to have all conveyance routes in town awarded by bids. The specifications on which these bids are to be made will be given out at the end of the Spring Term.

The loyalty and cooperation which we have received in support of our schools is greatly appreciated.

Respectfully submitted,
 GEORGE E. JACK,
 Superintendent of Schools

Report of Special Committee Appointed to Study Plan of Consolidation of Secondary Schools

Members of Committee Appointed
on March 3, 1947

EDWARD M. ELWELL	MARION E. I. HAGUE
GERTRUDE ELWELL	ARTHUR SAWYER
HAROLD SMITH	Dr. A. G. WILEY
DONALD EATON	GEORGE ROUNDS
FRED DAVIS	

(all members present at First meeting)

Two meetings were held by this committee. At the First Meeting Mrs. Marion E. I. Hague was elected Chairman, and Dr. A. G. Wiley was elected Vice Chairman. George E. Jack was elected Secretary.

The question of consolidation of the Samuel D. Hanson High School with other High Schools.

It was decided to have a meeting at a later date with school committee members and representative citizens from surrounding towns to consider the question of consolidation of secondary schools in this area; with one or more speakers from the State Dept. of Education. Citizens and interested individuals from surrounding towns to be invited by Mr. Davis and Supt. Jack.

Second meeting was held with school committee members AND INTERESTED CITIZENS FROM Surrounding towns: and citizens from Buxton. Mr. Earle Hutchinson, Director of secondary education, and Mr. Richard J. Libby, assistant to the Commissioner of Education from the State Dept. of Education were present. Mr. Hutchinson spoke on legislation dealing with different phases of Consolidation. Mr. Hutchinson and Mr.

Libby answered questions regarding problems of consolidation. Mr. Hutchinson explained the so called permissive legislation in regard to joining of Towns for the purpose of providing better school facilities. That such legislation was permissive and in no way compulsory; that formation of community school districts would be voted by the inhabitants of the respective towns at a meeting called for such purpose in the same manner as a regular Town Meeting would be called in the respective towns, to form a secondary school district known as a community School District. The District would be authorized to acquire and hold property at a designated value. The community school would also be authorized by vote to borrow money and issue bonds and notes for building construction and other school purposes.

ORGANIZATION; When two (2) or more towns have voted to form a community school district, the municipal officers in each town of the proposed district shall appoint 3 PERSONS TO BE INCORPORATORS of said proposed school district and they shall become trustees of said district. The election of teachers and other matters pertaining to administration of schools are to be controlled by the Community School Committee. All other matters are left to the trustees who shall serve with out pay except the treasurer who may be paid not to exceed \$100 per year. The total indebtedness for building construction and other costs shall not be in excess of 5% of the total valuation of all participating towns.

Mr. Hutchinson and Mr. Libby explained at considerable length the organization of the community school district.

The Community School committee shall consist of not more than 9 members: the number to be determined by trustees. The representation of each town shall be in approximately the same ratio as the town's enrollment

is to the enrollment in that school. No town shall have less than 1 nor more than 3 representatives on the committee. The supt. of the Community School shall be selected by the community committee. The transportation shall also be provided by the Community committee and this transportation cost from the surrounding towns shall be considered an expense of operation of said school. Towns may withdraw and new towns may be added.

There was considerable discussion in regard to the advantages of such consolidation. It was shown that many small towns now were saving taxpayers money by not maintaining High Schools, but instead were securing better educational facilities by paying tuition charges in larger schools.

It was shown that by pooling resources and maintaining one secondary school unit a type of diversified educational program would be made available to pupils in smaller communities with such educational opportunities as enjoyed by boys and girls in city schools. The minimum number has been set up as 400 pupils within a transportation area of 20 miles. Pupils would be able to select courses in the field of their real interests and aptitudes. Better trained teachers would be available and small classes with 2 or 3 pupils taking French and Latin or advanced mathematics would be eliminated. Many teachers today in small high schools are teaching or attempting to teach subjects for which they are poorly prepared because there is no one else to teach the subject. Many teachers have such a heavy teaching schedule out side of their particular field of preparation that there is no time for preparation of subject matter. Pupils in our larger communities have had the advantage of instruction in subjects such as Home Economics, manual training, industrial Art Subjects and Physical Education. With consolidation such subjects would be

available and students would not be under the necessity of leaving their local school to take these subjects in a large school system. Then the people in each community would have a vote on the type of school and the subjects to be offered. It is utterly impossible for the small high school even at prohibitive cost to maintain an adequate program for boys and girls of the present day. Consolidation would furnish a type of training that would meet the needs of youth. In such a school he could secure such training that he would be better prepared for employment in that particular field where his aptitudes and inclinations would lead him. For this reason in such cases there would be better adjustment to life. The high building costs mentioned would seem to be prohibitive to consolidation at present. However so many advantages were apparent that it seems desirable to recommend that the town set aside a sum of money each year for a term of years until building costs are lower and with long range planning consider the possibility of consolidation at some future date.

MARION E. I. HAGUE

Chairman

WARRANT FOR ANNUAL TOWN MEETING

York, ss

To Ulric E. Smith, a Constable of the Town of Buxton, in the County of York and State of Maine.

Greeting.

In the name of the State of Maine you are hereby requested to notify and warn the inhabitants of the said town of Buxton, qualified to vote in town affairs, to meet in the town house of Buxton on Monday the 1st day of March A.D. 1948 at 10 o'clock A.M. to act on the following articles.

Article 1. To choose a Moderator to preside at said meeting.

Art. 2. To see if the Town will vote to accept the reports of the several town officers.

Art. 3. To see if the Town will vote to continue the present system of voting as adopted at the special town meeting of June 11th, 1934, Article 7.

Art. 4. To choose Town officers for the ensuing year.

Art. 5. To see if the Town will vote to grant and raise the sum of \$2,065 for the final payment including interest on bonds issued for flood control and bridge construction.

Art. 6. To see if the Town will vote to confirm and ratify the vote passed at the special town meeting of June 7th, 1947 whereby it was voted to hire the sum of \$16,000.00 from the Casco Bank and Trust Co. for the construction of a bridge across the Saco river at Salmon Falls.

Art. 7. To see what sum of money the town will vote to grant and raise for the purpose of drilling an artesian well on the school lot at Bar Mills and to provide a suitable water system for supplying water for the Bar Mills school, or to take any other action relative thereto. School committee recommends \$1,000.00.

Art. 8. To see if the town will vote to grant and raise the sum of five thousand dollars (\$5,000.00) for the purpose of creating a school building fund, such fund to be expended at some future date for the erection of a school building to provide for the consolidation of secondary schools or some other type of construction of school building, this sum of money to be invested by the Selectmen and held until the expenditure of the same be voted by the town, then this sum of money and other funds accumulated for this purpose shall be expended as directed by a vote of the town under the oversight of a building committee composed of the three Selectmen and the three members of the superintending school committee, and six other members to be appointed from the floor at some future town meeting.

Art. 9. To see if the Town will vote to set aside the sum of \$5,000. more or less, in a fund to be known as the Veterans Memorial Annex Fund, said sum to be set aside for the purpose of erecting an annex to Samuel D. Hanson High School in memory of Buxton Veterans of World War II, said sum not to be used until its use is so authorized by the town by its vote in a regular Town Meeting. Petition of Edward M. Elwell and 25 others.

Art. 10. To take any and all action pertaining to the erection of an Honor Roll, to determine what type of memorial, if any, shall be constructed, where it shall be located and to raise the necessary money therefor

to be expended together with the sum of \$600.00 raised in 1947.

Art. 11. To see if the town will vote to grant and raise the sum of \$28,500.00 for the support of high school and elementary schools for teachers salaries, janitors, fuel, text books, and supplies, and for the elementary school conveyance for the ensuing year.

Art. 12. To see if the town will vote to grant and raise the sum of \$1,500.00 for school repairs and equipment for the ensuing year.

Art. 13. To see if the town will vote to grant and raise the sum of \$1,300.00 for the Cafeteria in the high school.

Art. 14. To see if the town will vote to grant and raise the sum of \$960.00 for music in the schools for the ensuing year.

Art. 15. To see if the town will vote to grant and raise the sum of \$300.00 for a public health nurse for the ensuing year.

Art. 16. To see if the town will vote to grant and raise the sum of \$1,500.00 for the course in agriculture for the ensuing year .

Art. 17. To see if the town will vote to grant and raise the sum of \$300.00 for insurance on school property for the ensuing year.

Art. 18. To see how much money the town will vote to grant and raise for a School Clinic and free bed in the Buxton and Hollis Hospital.

Art. 19. To see if the town will vote to grant and raise the sum of \$1,296.00 for the construction of State aid Highway No. 4 for the ensuing year.

Art. 20. To see how much money, if any, the town will vote to grant and raise in addition to the sum voted in the above article for the construction of State aid highway No. 4.

Art. 21. To see if the town will vote to grant and raise the sum of \$1,700.00 for patrol maintenance of State aid highways for the ensuing year.

Art. 22. To see if the town will vote to raise the sum of \$4,000.00 for the maintenance of Town highways for the ensuing year.

Art. 23. To see if the town will vote to grant and raise the sum of \$1,000.00 for bush removal for the ensuing year.

Art. 24. To see how much money the town will vote to grant and raise for bridges and culverts for the ensuing year. \$1,500.00 recommended.

Art. 25. To see if the town will vote to grant and raise the sum of \$3,000.00 for snow removal for the ensuing year.

Art. 26. To see if the town will vote to grant and raise the sum of \$1,200.00 for repairs and insurance on highway and snow equipment for the ensuing year.

Art. 27. To see if the town will vote to grant and raise the sum of \$1,000.00 and expend it together with the same amount raised in 1947 but not expended, on State aid No. 11 locally known as the Waterman road.

Art. 28. To see if the town will vote to grant and raise the sum of \$1,000.00 to gravel and repair the road from the black road leading from the residence of Ernest Parker, proceeding through Chicopee to the Plains road. Petition of Geradus Van Betwu and 25 others.

Art. 29. To see if the town will vote to grant and raise the sum of \$1,000.00 annually until finished, to extend the road already built from Haines Meadow to Groveville, to the Gorham line, passing by the Congregational Church at Groveville. Petition of Spurgeon B. Mallory and 21 others.

Art. 30. To see if the town will vote to grant and raise the sum of \$2,000.00 to be used under the State supervision to complete construction on the road from H. H. Lockes corner to the black road at Emery's filling station.

Art. 31. To see if the town will vote to grant and raise the sum of \$500.00 to rebuild backstop and spectators seats on first base and third base lines of the baseball diamond at Weymouth Park, Buxton Lower Corner. Petition of Charles E. Wood and 43 others.

Art. 32. To see if the town will vote to grant and raise the sum of \$3,500.00 for the fire department for the ensuing year, including repairs to building, upkeep of apparatus, salaries and insurance for the members of the department and all persons working under orders of Fire Chief, also the cost of fuel and electricity for the building.

Art. 33. To see if the town will vote to grant and raise the necessary amount of money to build a permanent reservoir at Roberts Corner. Petition of P. S. Brooks and 21 others.

Art. 34. To see if the town will vote to grant and raise the sum of \$1,000.00 to repair the fire reservoir at Groveville.

Art. 35. To see if the town will vote to grant and raise the sum of \$1,100.00 for street lights for the ensuing year.

Art. 36. To see if the town will vote to grant and raise the sum of \$2,500.00 for the support of poor for the ensuing year.

Art. 37. To see if the town will vote to grant and raise the sum of \$1,000.00 for mothers aid and aid to dependent children for the ensuing year.

Art. 38. To see if the town will vote to grant and raise the sum of \$4,500.00 for Officers salaries for the ensuing year.

Art. 39. To see if the town will vote to grant and raise the sum of \$3,000.00 for miscellaneous expenses for the ensuing year, including officers bonds.

Art. 40. To see if the town will vote to grant and raise the sum of \$300.00 for town property insurance for the ensuing year.

Art. 41. To see if the town will vote to pass the following articles. Any resident of Buxton on payment of five dollars (\$5.00) in advance to the town Treasurer, shall be entitled to have snow plowed for the ensuing year from a private way not exceeding two hundred feet in length, for ways exceeding two hundred feet in length, the charge shall be one dollar (\$1.00) for each additional hundred feet or major fraction thereof. Petition of Donald Eaton and 20 others.

Art. 42. To see if the town will vote to grant and raise the sum of \$100.00 for the Maine Publicity Bureau to advertise the natural resources, advantages and attractions of Maine.

Art. 43. To see if the town will vote to grant and raise the sum of \$100.00 for the control of the white pine blister rust for the ensuing year.

Art. 44. To see if the town will vote to authorize the Selectmen or other authorized officers, to procure a temporary loan or loans in anticipation of taxes for the purpose of paying obligations of the town, such loans to be paid during the municipal year out of money raised during said municipal year by taxes.

Art. 45. To see if the town will authorize the Selectmen and Treasurer to sell and convey any or all property acquired by tax sale according to their best judgment and issue quit claim deeds thereon.

Art. 46. To see what action the town will take in regard to the purchase of more snow fence and raise the necessary money therefor.

Art. 47. To see if the town will vote to increase the salary of the Town Clerk to \$300.00 per annum. Petition of Philip Brooks and 14 others.

Art. 48. To see what action the town will vote to take in regard to an increase in pay for the Selectmen and Treasurer, present pay being 62½ cents per hour for Selectmen and \$400.00 per year for Treasurer.

Art. 49. To see if the town will vote to grant and raise the sum of \$50.00 for the Boys and Girls Agricultural clubs.

Art. 50. To see if the town will vote to grant and raise the sum of \$100.00 for the Hutchinson Boulter Post for Memorial Day.

Art. 51. To see if the town will vote to grant and raise the sum of \$125.00 to be divided in the usual way between the Bar Mills, West Buxton, and Salmon Falls libraries.

Art. 52. To see what sum of money or per cent of collections the town will vote to pay the Tax Collector for the ensuing year, for both regular and excise taxes.

Art. 53. To see if the town will vote to grant and raise the sum of \$3,000.00 to construct a suitable building to house the town equipment, as trucks, snowplows, etc. and situate such building permanently in a centrally located place and purchase land necessary for building.

Art. 54. To see what action the town will take in regard to a Budget Committee.

The Selectmen give notice that they will be in session on Saturday the 28th day of February from nine o'clock A.M. to five o'clock P.M. for the purpose of correction of the lists of voters.

Fail not to make due service of this warrant and return your doings thereon at the time and place of meeting.

Given under our hands this 15 day of February 1948.

FRED W. SMITH
SAMUEL HALE
KENNETH KNIGHT
